

# FREE GRANT MONEY

Over 500 millionaires, billionaires, philanthropists, individuals and wealthy families are GIVING AWAY their extra money to those who contact them and ask for it.

How would you like to get the names, addresses, and contact information of these wealthy people?

This is NOT a joke or a scam!

This list includes the names, addresses and contact info of wealthy families, charities, foundations and individuals who MUST give away a lot of their wealth to people just like you.

They do this for a variety of reasons: to shelter their money from taxes and give it to people who actually need it, like YOU and me, because they make more money than they can give away!

This list, and the proposal letter template is worth over \$297 by itself. But for a limited time, this list and letter template is available to you for ONLY \$100.

Print this order form and send it with \$100 in cash to the address below. When you send cash, wrap it inside this order form and send it by Priority Mail USPS, and keep your tracking number.
